- Applicability of the Statewide Standards of the
- Alaska Coastal Management Program

On December 29, 2005, NOAA approved the June 2, 2005 Amendment to the Alaska Coastal Management Program.

Therefore, as of January 3, 2006, the revised ACMP incorporates the amended ACMP statutes at AS 46.39 and 46.40 and the amended regulations at 11 AAC 110, 112, and 114 into the ACMP, including the statewide standards at 11 AAC 110.200 – 11 AAC 112.990. These standards apply to consistency reviews initiated after January 3, 2006.

Use 11 AAC 112 statewide standards for consistency reviews of projects initiated after January 3, 2006

Use 6 AAC 80 statewide standards for consistency reviews of projects initiated on or prior to January 3, 2006
